**I BLOCK: READING – TRUE OR FALSE (2 MARKS)**

**1. Read the short text and answer True or False.**

**4<sup>th</sup> of July**

Independence Day, celebrated on July 4<sup>th</sup>, is a significant holiday in America. It commemorates the country's declaration of independence from British rule in 1776. On this day, people across the nation come together to honor the ideals of freedom and democracy. Festivities typically include parades with colorful floats, marching bands, and patriotic displays. Families gather for picnics and barbecues, enjoying traditional foods like hot dogs, hamburgers, and apple pie. In the evening, communities gather to watch spectacular fireworks displays lighting up the night sky. These fireworks symbolize the rockets and bombs that were fired during the American Revolutionary War. Independence Day holds a special place in the hearts of Americans, serving as a reminder of the sacrifices made by the nation's forefathers to secure the blessings of freedom for future generations. It is a time for reflection, gratitude, and celebration, as citizens come together to reaffirm their commitment to the enduring principles of democracy and liberty that define the American spirit.
