

Your name: _____

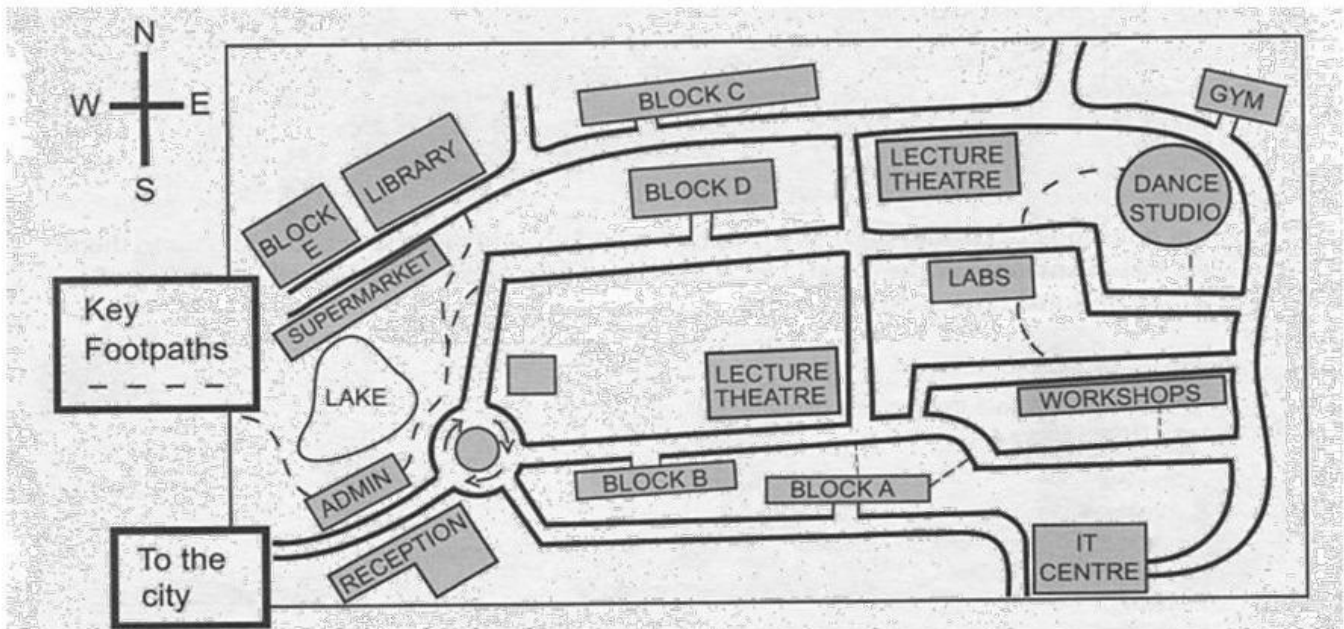

QUICK CHECK – LISTENING – U2 – MAP LABELLING

Exercise 1: Study the campus plan below and complete the sentences using a word from the box.

closer	north-east	links	northern	near	before
five	runs	opposite	southern	beside	next

Example: There are *five* blocks.

1. A footpath runs _____ the lake.
2. Block E is _____ to the library.
3. The library is _____ the supermarket.
4. Block A is _____ to Block B than any of the other blocks.
5. A footpath _____ the workshops to the dance studio.
6. The gym is in the _____ corner of the campus.
7. The IT centre is at the _____ end of the campus.
8. The reception is at the entrance, just _____ the roundabout if you're coming from the city.

Exercise 2: Look at the campus plan above and listen to three people giving directions. In each case, which block do the directions lead to?

Speaker 1 is giving directions to Block _____.

Speaker 2 is giving directions to Block _____.

Speaker 3 is giving directions to Block _____.
