

Let's revise!

Adventure time! Let's practice present continuous and future with these adventure-related activities!

1) Look at the following pictures and words. Drag and drop the word to the correct picture.

		caving		
		gloves		
		rope		
		torch		
		life jacket		
		hiking		
		kayaking		
		mountain biking		
		rafting		
		rock climbing		
		waterproof jacket		
		wetsuit		

2) Now read the following descriptions and match them to the correct picture.

	Eduardo – This is my brother. He's sitting on his bike and he's wearing a helmet. He's really happy because he's going to go mountain biking this afternoon for the first time.
	Maria – In this photo, you can see my best friend. She's wearing a special helmet with a torch because she's going to go caving. Caving is a really cool sport, but it can be dangerous and sometimes you get wet.
	Pablo – This is one of my favourite photos. I'm sitting in a raft with my friends. We're wearing life jackets and helmets because we're going to go rafting. Here, we're learning how to use the paddles. We're smiling and shouting, but we're a bit nervous, too.

3) What activity do you and don't you want to try? Why?

4) Look at the following pictures and describe them. Provide as much detail as you can (weather – clothes – actions)

5) Imagine there is no Covid-19 in the world and you are going on vacation... Where are you going? With whom are you travelling? What are you going to do?
