"Hugh Grant's s-d approach to his rom-com success is the most British thing I've ever seen"

Hugh Grant talking about his Nineties rom com roles in Notting Hill, Four Weddings and a Funeral is the most British thing I've ever seen.

Do you need a book cover to e-the wrong readers? One that is unattractive, unpolished, and unprofessional? Hi, I a-to be the world's worst book cover designer and make crappy covers for my fellow authors!

I make these for fun at my own schedule/whim. Currently accepting suggestions/submissions for a second batch
