

## READING PART 2

Mom is talking to her son, David, about his school day. What does David say?

Read the conversation and choose the best answer. Write a letter (A-H) for each question. You do not need to use all the letters.

- A. Yes. We saw lots of pictures in class, and I found some more on the internet too.
- B. My favorite subject is actually mathematics.
- C. We learned about the planets.
- D. I also need to practice speaking, because I need to talk about it in front of the class this Friday.
- E. I like Mars. It looks exciting.
- F. I need to write about Mars and other planets.
- G. We also drew pictures of the solar system.
- H. It was good. We had a science lesson. **(Example)**

**Mom:** How was your day at school, David?

**David:**

**Mom:** Oh, that sounds fun! What did you learn today?

**David:** 1.1

**Mom:** That's interesting! Which planet do you like most?

**David:** 1.2

**Mom:** Have you ever seen pictures of Mars?

**David:** 1.3

**Mom:** That's great! What are you going to do for homework today?

**David:** 1.4

**Mom:** That sounds like a lot of work! What else do you have to do?

**David:** 1.5
