Paper 2

Time allowed: 1h.15 min

SECTION A: Reading Comprehension

Read the text and circle the correct option, true (T) or false (F).

Clarkson Town

My name is Tom, I'm 13 and I live in the best town of the USA: Clarkson. Clarkson is a big town. More than fifty thousand people live there. It is next to a long river, the Clark River. Every day, people take the ferry from North Clarkson to South Clarkson to go to work.

Most people live in North Clarkson. There are lots of trees and the streets are very nice. When it is sunny the children run and play in the streets. North Clarkson is a wonderful town to live.

South Clarkson has a lot of shops and big buildings. People don't live in South Clarkson but they go to work there every morning. There is also a big stadium. On Sundays, many people go to watch their favourite team: The Tigers. They are an American football team.

At the weekend, people from Clarkson like swimming in the Clark River or going for a run. Children love playing football, baseball or basketball and many families usually have a picnic in the park.
