

# Croquis

Observa el croquis de tu escuela y arrastra cada elemento al lugar que le corresponde para completar el croquis.

The croquis shows a school building with a central entrance, a blue door on the left, and a large window. There are dashed boxes for furniture: four in the top row, four in the bottom row, and two on the right side. On the left side of the building, there is a set of drawers. Below the building are several icons in dashed boxes: four classroom sets (each with a greenboard and orange chairs), a classroom set with a greenboard and orange chairs, a blue and pink restroom, a storage rack with boxes, a teacher at a desk, and a bookshelf.
