Dear Amy,

I hope you're well. I've got a bit of a problem at the moment and I wanted to ask you for help.

One of my best friends is acting really strangely. We've been friends for years. Before, we'd go everywhere together and we always used to see eye to eye. People even thought we were sisters! But then she started singing in a band and now I never see her. I don't mind her spending time with her new friends in the band, but I miss her and feel lonely without her. I ask her if I can hang out with them but she always gives me some excuse why I can't.

If you were me, what would you do?

Please write back soon and tell me what you think.

All the best,

Ellie
