PART 4 – VOCABULARY CLOZE

Read the article and choose the correct word for each gap.

WORD BANK

garage • balcony • sofa • entrance
sink • ceiling • lamp • cooker

Tom and his family recently moved into a new house. It has two floors.

On the ground floor, there is a kitchen, a living room and a small hall near the _____.

In the kitchen, there is a _____ for cooking meals and a _____ for washing dishes.

The living room is my favourite room. There is a comfortable _____ where the family can sit together in the evening. Next to it, there is a _____ that gives light when it gets dark.

Upstairs, Tom's bedroom has a small _____ with a great view of the garden. His father also likes the high ceiling in the house because it makes the rooms feel bigger.

Behind the house, there is a place to keep the family car. It is a large **garage.**
