

Song - We Are The World

There comes a time
When we heed a certain call
When the world must come together as one
There are people dying
Oh, and it's time to lend a hand to life
The greatest gift of all

We can't go on
Pretending day by day
That someone, somewhere will soon make a
change
We are all a part of God's great big family
And the truth, you know, love is all we need

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me
Well, send them your heart

So they know that someone cares
And their lives will be stronger and free
As God has shown us by turning stone to bread
And so we all must lend a helping hand

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
Oh, there's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

When you're down and out, and there seems no
hope at all
But if you just believe, there's no way we can fall
Well, well, well, well let us realize
Oh, that a change can only come
When we stand together as one
(yeah, yeah, yeah, yeah)

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

We are the world (we are the world)
We are the children (we are the children)
We are the ones who'll make a brighter day
So let's start giving (so let's start giving)
There is a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me
Alright, let me hear you

We are the world (we are the world)
We are the children (said, we are the children)
We are the ones who'll make a brighter day
So let's start giving (so let's start giving)

There's a choice we're making
We're saving our own lives
It's true we'll make a brighter day
Just you and me, come on now, let me hear you

We Are The World

We Are the World was released in 1985 by USA for Africa to raise money for people suffering from a severe famine in Ethiopia. The song was written by Michael Jackson and Lionel Richie and performed by more than 40 famous singers.

At that time, millions of people were facing hunger because of drought, poverty, and conflict. The artists wanted to encourage people around the world to help by donating money and supporting those in need.

The song's main message is that everyone can make a difference. It reminds us that when people work together with kindness, compassion, and generosity, they can help create a better world.
