Hi Ibrahim,
I'm going to visit my cousin in America in June. This will be my first visit and I'll have lots of fun! We're going to go rafting. Have you ever been? I've never done it. It looks exciting! My cousin wants to go on the bungee trampoline, but I did that at the funfair last year and I didn't like it. I went on the bumper cars, too, and I really liked that. I went on the roller coaster and the big wheel. I didn't like the roller coaster – it was too fast and it went up very high. Tomorrow, we are going to a TV studio. Next week, we are going to visit an aquarium. I'm really looking forward to that. Why don't we go bowling next weekend? That's great fun, too. There's also a parade on Saturday. How about going to see it?
Write soon.
