When I was a boy, my parents worked in Africa for two years. We visited lots of exciting places there and I have loved travelling and exploring since then. I usually choose to travel alone because it is easier to meet people that way. I often stay with the new friends I make on my journeys, and finding out about new cultures is my favourite part of exploring.

**Simone**

My favourite places are in the cold parts of the world. There are some areas, covered in snow and ice, where almost no one has ever been before. I usually go on foot because there are no roads. I plan my trips very carefully - I like to be well prepared and I take lots of special equipment with me.

I sometimes go for days and weeks without seeing other people - I like the opportunity that gives me to think about my life and to make plans.

Frank

I do most of my exploring by boat. It can take me weeks to get somewhere I could drive to in a day, but it is all about the journey. I always take someone else because my boat needs two people and I don't think I would like to go alone. There usually aren't many people at all in the places that I explore, so I don't often meet new people. My boat is quite small so I can get to places that other, bigger boats can't get to. That makes travelling even more interesting.
