<u>Task 3</u>: Read the passage below and fill in the appropriate answer in the blank.

The Dirty Lake

Emma and Jake loved going to the lake near their house. A few years ago, the water was clean and beautiful. They could see fish swimming, and birds came to drink. It was a safe place to play. But now, the lake is polluted. People throw plastic bottles and trash into the water. The water looks ugly, and the fish are disappearing. It is not safe for swimming anymore.

Emma and Jake want to help. They tell their friends, "We must clean the lake! If we work together, we can make it beautiful again."

Read again and write.
