

The image features a central dark blue board with white text. To the right of the board is a 3D molecular model with blue spheres and connecting rods. To the left is a 2D chemical structure with green and grey atoms. In the top left corner, there are yellow starburst icons and a green pushpin. In the bottom left, a cartoon teacher with glasses, wearing a blue suit and brown tie, holds a red book and points with a grey pointer. On the board, a yellow warning sign with a red exclamation mark is highlighted by a magnifying glass. The background is a light blue sky with a green grassy field at the bottom containing small white flowers.
