1st Adol Midterm Test - READING (20 marks)

FAMILY TIME

My name is Lucy Brown. I am **twelve** years old and I live with my parents and my younger brother, Ben. We are a happy family.

Every morning, I **help** my mum prepare breakfast before school. Ben is only six, so he sometimes needs help getting ready. After school, we usually do our **homework** together. My favourite subject is English, but Ben likes Maths.

My dad is a doctor. He works at the local **hospital**, so he is often busy. My mum is a **teacher**, and she loves reading books. In the evenings, we often have dinner together and talk about our day.

At weekends, we visit my grandparents. My grandfather enjoys taking **photos** with his new camera, and my grandmother makes delicious cakes. We also play board games and sometimes go to the park.

I think spending **time** with my family is very important because we always have fun together.
