

Practice Worksheet

Two lions, how many paws?

3 eggs in each plate. 4 plates in all. How many eggs in all?

4 pears in each basket and 3 baskets. How many pears in all?

5 cycles. How many wheels in all?

4 spiders have how many legs in all?

6 flowers, each with 5 petals. How many petals?

$$6 + 6 + 6 = \square$$

$$\text{Three times six apples} = 3 \times 6 = \square$$

$$5 + 5 + 5 + 5 = \square$$

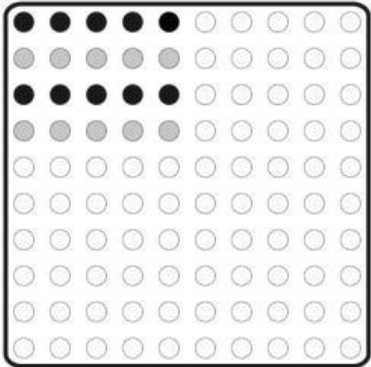

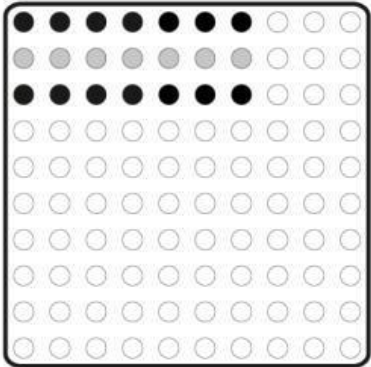

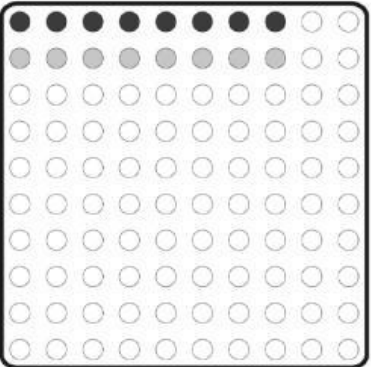

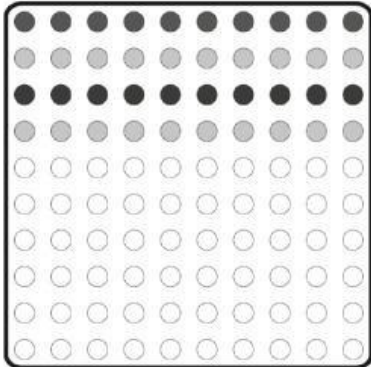

$$\text{Four times five leaves} = 4 \times 5 = \square$$

$$9 + 9 + 9 + 9 + 9 = \square$$

$$\text{Five times nine lemons} = 5 \times 9 = \square$$

Look at the plugs placed on the mathemat. Write the addition and multiplication.

 $ \begin{array}{r} 5 \\ + 5 \\ + 5 \\ + 5 \\ \hline 20 \end{array} $ $ \boxed{4} \times \boxed{5} = \boxed{} $	 $ \begin{array}{r} \\ + \\ + \\ + \\ \hline \end{array} $ $ \boxed{} \times \boxed{} = \boxed{} $
 $ \begin{array}{r} \\ + \\ + \\ \hline \end{array} $ $ \boxed{} \times \boxed{} = \boxed{} $	 $ \begin{array}{r} \\ + \\ + \\ + \\ \hline \end{array} $ $ \boxed{} \times \boxed{} = \boxed{} $
