Dear Ben,

Last Saturday, my family went to my grandma's house for lunch. Grandma loves cooking, so she made lots of food for us.

When we arrived, there were (1) _____ biscuits and strawberries on the table. Grandma also made a big pizza. It smelled delicious, and everyone wanted to try it.

My little brother was very hungry because he didn't have breakfast. Grandma gave some pizza to him, and he ate all of (2) _____ quickly.

After lunch, we helped Grandma clean the kitchen. Mum wanted (3) _____ wash the dishes, but Grandma said she could do them later.

Then we sat in the garden and talked. The weather was warm, (4) _____ we stayed outside for a long time.

My sister thought the biscuits were better (5) _____ the cake, but I liked both of them.

It was a lovely day. Grandma was happy because all her family were with (6) _____.

Best wishes,

Harry
