

In groups, answer the following questions:

- What is the main question discussed in the podcast?

- According to the podcast, which natural disaster is responsible for the most human deaths?

- What are two things humans can do to reduce the impact of natural disasters?

- What words or expressions from the podcast can you use when talking about disasters? (e.g., evacuation, act of God)

- What natural disasters happen frequently in Peru? Name at least two.

- What measures could Peru take to reduce damage from these disasters?
