## A DAY AT THE BEACH

On Saturday, Mia and her family went to the beach. They left home early in the morning at 8 o'clock. The sun was shining, and the sky was clear and blue.

When they arrived, Mia put on her hat and sunscreen. She and her brother built a big sandcastle near the water. Their dad swam in the cool sea, while their mom sat on a towel and read a book.

At lunchtime, they ate sandwiches, fruit, and drank juice. In the afternoon, they played beach ball and collected pretty shells.

Before they went home, they cleaned up their things and made sure they left the beach clean. Everyone was happy and tired after their fun day at the beach!
