

Task I - Speak (record your answer).

Press the microphone and record your answer to one question (30-60 seconds).

- Which of the writer's suggestions do you find most beneficial? Why?
- Tell me something you have procrastinated about. What was the outcome?

Task J - Write.

Write a paragraph (60-80 words) simply titled "My Advice for Beating Procrastination." Suggest at least two suggestions for a friend who always postpones tasks until the last minute. Incorporate at least three words from the word bank.
