MY FAVORITE CLASSROOM. (Identification)

My favorite place in the whole school is my classroom, Class X-A. It is located on the second floor, near the science laboratory.

(Description) It is a very spacious and bright room. We have large windows that allow natural sunlight to come in during the day. The walls are painted a calming light blue, and they display several educational posters.

My classmate to teacher our teacher, Mr. Hartono, writes explanations. We also have a small bookshelf in the corner. The corner filled with various novels and dictionaries. My classroom feels very comfortable and is a great place to learn.
