ABOUT ME

Hi, I'm Freddie. I'm fifteen years old, and this is my blog! Read on to find out a few things about me.

My school

I go to Greensville Secondary School, and I'm in year 10. It's the biggest school in the area, and there are about 800 students. Once a week, we have an IT class in the computer room. It's got really modern technology, so the technicians are always there to help us. My school's also got a few science labs. We have chemistry and biology classes there twice a week. But my favourite subject is English. It's quite popular because our English teacher, Mr Brown, is fantastic.

My interests

I'm really into swimming and I love all kinds of water sports, especially water polo. I'm also crazy about music and I listen to all kinds. These days, I'm interested in model car making and I have a small collection of model cars.

At the moment, I'm working on a racing car. I also enjoy doing jigsaw puzzles because they're a great way to relax. In fact, yesterday I finished a 3D puzzle of the globe. You can see my globe [here](#) or some of my model cars [here](#).
