Exercise 2 Multiple Choice - Read the text carefully and choose the best answer.

The Tiger Trail at San Diego Zoo Safari Park is a great place to see Sumatran tigers. Visitors can watch tigers playing, swimming in a pool, and climbing tall trees. Tigers like to swim, unlike many cats. When they get tired, they can relax in special dens or on large rocks. Tigers have powerful legs and can run fast. We should protect these beautiful animals and help them.

1. Where can you see Sumatran tigers?

- A. At a visitor place
☐ In a tall tree
☐ At the Safari Park.

2. What do visitors watch at the Tiger Trail?

- ☐ Tigers eating visitors
☐ Tigers playing and swimming
☐ Tigers sleeping in rocks.

3. What does the text say about cats and water?

- A. Many cats like water.
☐ Tigers can swim well.
☐ Both cats and tigers like to swim.

4. What can tigers relax on when tired?

- A. Branches and pools
☐ Dens and rocks
☐ People and trees.
