- **In the end** = Pada akhirnya (*Dipakai di bagian akhir cerita / Resolution saat masalah selesai*)

Part 1: Jumbled Story (Menyusun Cerita Acak)

Instructions: Bacalah 4 kalimat cerita di bawah ini. Urutkan peristiwa tersebut agar menjadi alur cerita kantor yang runtut dengan memberikan angka 1, 2, 3, dan 4 pada kolom Order (#)!

Order (#)	Sentence (Kalimat Cerita)
[]	Suddenly , an angry client walked into the front office and complained loudly because the total amount on his invoice was completely incorrect.
[]	In the end , the client felt satisfied with the excellent service, accepted the revised invoice, and left the office with a happy smile.
[]	In the beginning , Maya worked peacefully at her desk, typing monthly administration reports and organizing incoming official letters.
[]	After that , Maya remained calm, apologized politely for the system error, and quickly printed a new correct invoice for the client.

Part 2: Story Flowchart (Peta Alur Cerita)

Instructions: Berdasarkan urutan peristiwa di Part 1, salin dan lengkapi **Peta Alur Cerita** di bawah ini dengan memasukkan kata penghubung waktu (Time Connectives) yang paling tepat di dalam kurung!

STEP 1: ORIENTATION (AWAL KEJADIAN)

(.....), Maya worked peacefully at her desk, typing monthly administration reports and organizing incoming official letters.

STEP 2: COMPLICATION (MASALAH MUNCUL)

(.....), an angry client walked into the front office and complained loudly because the total amount on his invoice was completely incorrect.

STEP 3: ACTION / RESOLUTION (PENANGANAN MASALAH)

(.....), Maya remained calm, apologized politely for the system error, and quickly printed a new correct invoice for the client.

STEP 4: FINAL RESOLUTION (AKHIR CERITA)

(.....), the client felt satisfied with the excellent service, accepted the revised invoice, and left the office with a happy smile.

Part 3: Mini Reflection (Refleksi Singkat)

Instructions: Circle the letter a, b, or c for the correct answer!

1. Why is the word "Suddenly" best suited for the Complication paragraph?

- **a)** Because it describes an ordinary event
- **b)** Because it indicates a sudden or unexpected turn of events
- **c)** Because the story has already ended

2. Which part of the story describes the resolution of the problem and customer satisfaction?

- **a)** Orientation
- **b)** Complication
- **c)** Resolution
