One of the best events I have ever been to was my school's talent show. It was a very special night, and I will never forget it. The school hall was full of students, teachers, and parents. Everyone was excited, and the stage had bright lights and colourful decorations.

Many students performed in the show. Some sang songs, some danced, and some told funny jokes. My best friend, **Emma**, sang a song she wrote herself. Her voice was beautiful, and the audience was very quiet while she sang. When she finished, everyone clapped loudly, and she looked so happy.

The teachers also did a special dance. It was very funny because they usually looked serious in class, but on stage, they were dancing and smiling. Everyone laughed and cheered for them.

At the end of the show, all the performers stood on the stage together, and we clapped for them one last time. It was a wonderful night, full of fun and happiness. I will always remember it.
