

- 8 Complete the leaflet about ways to help the environment. Fill each space with *if* or *unless*.

How can I help?

There are lots of ways you can help cut pollution and prevent global warming. They are simple things, but (0) if we all do them, they can make a big difference.

- Don't turn the heating on (1) _____ you really need it.
- (2) _____ you are choosing between two different products, choose the one with the least packaging.
- Switch off the TV and DVD player (3) _____ someone is using them.
- (4) _____ you go to school by car, take a friend with you.
- Use the microwave instead of the cooker (5) _____ you want to heat something small.
- (6) _____ your clothes are very dirty, wash them in cold water.
