Phrasal verbs

Five of the verbs in the pictures above are phrasal verbs. Phrasal verbs are formed from a verb and a particle but have a single meaning. Unit 49 of this book will help you learn some more common phrasal verbs.

Exercise 1

Match the first part of each sentence (1–6) with the second (a–f).

1 I sat down	a and hurt my knee.
2 I fell over	b at the table.
3 I lay down	c to go and talk to her.
4 I turned round	d to see what had made the noise behind me.
5 I stood up	e on my hand.
6 I balanced	f on the bed.

Exercise 2

Use verbs to complete the sentences. Make sure that you use the correct form of the verbs.

1 She was *balancing* on one leg.
2 One of the boys was _____ up the wall.
3 The children _____ when the teacher walked into the room.
4 She seemed really upset so I _____ her.
5 The children were _____ up and down, shouting with excitement.
6 There's a chair there. Why don't you _____ ?
