

Present Simple & Daily Routines

Reading

Emma is a high school student. She wakes up at 6:30 every morning. She brushes her teeth, gets dressed, and eats breakfast with her family. At 7:30, she goes to school by bus. She likes English because she enjoys reading stories and learning new words. After school, she does her homework and helps her mother prepare dinner. In the evening, she watches TV for one hour, reads a book, and goes to bed at 10:00. She follows this routine from Monday to Friday, but at weekends she gets up later and spends more time with her friends.
