2.WHY IS PAPER IMPORTANT?

Lesson 3: paper in our daily life.

TASK 1 – Look, read and label the pictures. Use the word bank.

Paper is very important in our daily life. It was invented in China long time ago, and today it is everywhere. **At school, we use paper to read, write, learn and draw.** We use books, notebooks, worksheets and drawing paper. **At home, we use paper to clean and care for ourselves** with tissues, toilet paper, napkins and paper towels. **In shops, we use paper to carry, wrap and protect things** with paper bags, gift wrap and packaging. We also **use paper to protect food and products** in cereal boxes, egg cartons and pizza boxes. Paper helps us every day in many different ways.
