Putting words together... 23.5

- We say that something is **made of** a particular material:
  - *shoes made of leather*
- You can also say that one thing is **made out of**, or **made from** something else:
  - *a table made out of an old box.*

Exercise 4

What is being made? Match the pictures (a–f) with the instructions (1–6).

1 Make sure that the ground where you are going to build it is completely level. *e*
2 Finally, sew the buttons on. ____
3 Make sure the pieces of material are the right size for the window. ____
4 Use a pair of scissors to cut shapes out of paper. ____
5 Fix the pieces of wood together with nails. ____
6 Tie the top and bottom parts of one side of the material to the stick. ____

Exercise 5 23.6

Use the sentences (a–f) to complete the dialogues. Listen and check.

Helen: [1] *e*
Tina: Thanks! I bought them in Malaysia.
Helen: [2] ____
Tina: They're made of shells, with flowers painted on them.
Helen: [3] ____
Tina: Through a tiny hole in the top of each shell.

a What are they made of?
b That's amazing! And the cushions on the chairs are beautiful.
c They must take a long time to make.
d And how is the metal part fixed on?
e I love your earrings, Tina.
f You have some very unusual furniture, Liam. Did you bring it with you from India?

Paul: [4] ____
Liam: Yes, I did. It's made out of wood from old railway tracks.
Paul: [5] ____
Liam: Yes, the women sew them, using material they make themselves.
Paul: [6] ____
Liam: They do, especially ones like this one, which they decorate with hundreds of tiny glass beads.

Pronunciation 23.7
