

My Summer Holiday Plans

This summer, my family will travel to the seaside for a week's holiday. We will stay in a hotel near the beach. The hotel has a big pool, a fan, and an air conditioner, so we won't feel too hot.

Every morning, we will wake up early to watch the sunrise. Then we will put on sun cream and our sunglasses before going outside. My dad will wear his swim trunks, my mum will wear her swimsuit, and my little brother will take his swim ring to the pool.

At the beach, a friendly lifeguard will watch everyone. We won't get sunburn because we will use sun cream every day. We won't sunbathe all afternoon. Instead, we will swim, play games, and relax in a hammock or on a sunbed. We will wear our flip-flops because the sand will be very hot. There are also tall palm trees where we can sit in the shade.

One day, we will visit a water park. We will ride the waterslide and laugh together. In the evening, we will ride the ferris wheel and watch the beautiful sunset. Before we go home, we will walk through a park full of yellow dandelions.

I think this holiday will be fun, exciting, and unforgettable!
