A Day at the Park

Last Sunday, I went to the park with my family.
The weather was sunny and warm.
We took a mat, some snacks and drinks.
At the park, I played on the swing and slide.
My little brother ran around and chased the pigeons.
Then we had a picnic under a big tree.
Mom made sandwiches and we had apples and juice.
After that, we played frisbee together.
We were tired but happy when we went home.
It was a fun day and I love spending time with my family!
