D Reading

Jamie's blog

Last week, we went on a school trip to the Kennedy Space Center. What a day!

We met in the parking lot at school and took a bus to the Space Center. First, we visited the United States Astronaut Hall of Fame and learned about famous astronauts such as Neil Armstrong, Buzz Aldrin, and Michael Collins. After that, we went to the Apollo / Saturn V Center. This was about 20 minutes away from the main Visitor Complex. The Kennedy Space Center is a very big place! The *Saturn V* is a huge rocket and it was amazing to walk under it. I also touched a real moon rock which was about 3.7 billion years old!

After a busy morning, we were all very hungry. Luckily, it was time for lunch, so we went to the café in the Visitor Complex. But this was no ordinary lunch—we had lunch with a real astronaut! Can you believe it? She talked to us about what it was like to go into space. We asked her a lot of questions. She gave us a signed picture each.

After lunch, we watched a 3-D movie about the International Space Station at the IMAX movie theater. We wore special 3-D glasses. It was awesome! At the end of the day, we had some time in the Space Store. I bought a baseball hat with the NASA logo on it. Finally, we got on the bus back to school. We arrived back at ten o'clock at night and our parents were all waiting for us in the parking lot. It was a long day and we were all tired, but we had so much to tell them!

Reading

1 **Read the blog. Then number the sentences in the correct order.**

a They arrived back at school. ____
b They watched a movie. ____
c They ate lunch. ____
