Dear Keith,

I'm hoping you can give me some advices about travelling in Australia. I've looked online, but there's just so many information, I don't know where to start, and I know you've been there several times. From what you've said, it sounds like fantastic country! Do you know of any cheap but good hotel in Brisbane? And will I need car, or is there plenty of public transports?

Please reply soon!

Oscar
