Flying aliens!

Hi. My name is Katie and I'm with my family at an international kite festival in Belgium. It's very windy but I'm having great fun. Each day we fly our kites on the beach and watch the kite competitions. Flying kites is a tradition in our family. My granddad makes them but he doesn't travel to festivals now.

1) The kites are amazing and I'm taking lots of photographs! There are big birds, fish, lizards and this year there are aliens too. The children love the alien kites and are running up and down the beach with them. 2) It's spooky!

Tonight is the last night of the festival and there's a special show. 3) My friend and I are performing in the show. We're making costumes and practising a dance act. After the show we're marching in a parade through the town centre. There's a prize for the best costume. 4) At the end of the evening we're having a feast on the beach so lots of people are making cakes and sandwiches. 5) They look very pretty. At midnight we're having fireworks on the beach. I can't wait!

2. Read the report again. Choose which sentence (A–G) fits each gap (1–5) in the text. You do not need all the sentences.

A. It's a difficult competition.

- B. I hope we win.
- C. The people in the town are putting up decorations.
- D. He says he's too old for it!
