Summer Plans

The summer is here! But while some of you are flying to foreign lands, many of you have very different plans. Here, five of our readers tell us what their plans are.

1 _____

I'm planning to get a pet from an animal rescue centre. I'm not sure what pet at the moment. We had a dog when I was young, but they're a lot of work. I think I'd like something that's easier to look after, like a rabbit. I have to give it some thought.

Giovanna, 41

2 _____

I'm going to work in Spain in September for a year. Unfortunately, I've forgotten all the Spanish I learnt at school, so I'm going to take some Spanish lessons. I can study on the beach between lessons, too! I'll use only English in my work but I need Spanish if I want to enjoy my life there.

Liam, 21

3 _____

I'm stressed with work and moving to a new area. Because I can't take time off to relax, I'm doing yoga in the garden every morning. I'm not taking lessons, just watching some videos online. I'll probably also join some classes at the local town hall. That'll help me to meet people here, too.

Alice, 46

4 _____

I'd love to fly to Italy this summer but I have to stay home because my son wants to learn to drive and we can only pay for one lesson a week. I'm going to sit in the car with him while he practises the rest of the time. It's not going to be easy. I'll need to work hard to stay relaxed!

Theo, 51

5 _____

I've got a friend who walks a lot and this year I want to get out in the sunshine and go on a few walks with him. I don't mean a short one-hour walk. I mean an all-day walk. He walks along the coast for hours. I'm a bit worried because I think just a one-hour walk is hard, but I want to give it a try.

Alan, 63
