23.	24.	25.	26.	27.

Read the following passage and choose the letter A, B, C or D to indicate the correct answer to each of the questions.

The world is home to countless wonders, but some landmarks are so iconic they are recognized globally. The Eiffel Tower in Paris, France, is one such structure. Originally built as a temporary exhibit for the 1889 World's Fair, it has become a lasting symbol of French culture. Standing at 330 meters, it offers **breathtaking** views of the city.

Another famous landmark is the Great Wall of China. This massive series of fortifications was built over centuries to protect Chinese states and empires against raids and invasions. Stretching for thousands of kilometers, it is the world's longest man-made structure and a testament to incredible human effort.

In Egypt, the Pyramids of Giza stand as majestic monuments of the ancient world. Built as tombs for pharaohs, these pyramids, especially the Great Pyramid, are marvels of architectural genius. They have fascinated historians and tourists for thousands of years.

Finally, the Statue of Liberty in New York, USA, is a global symbol of freedom and democracy. A gift from France to the United States, this colossal statue has welcomed millions of immigrants to America. These landmarks, different in their origin and purpose, all share a common trait: they capture the human spirit and inspire awe in all who see them.

Question 28. What is the main idea of the passage?
