Another day has [redacted] I'm still all alone
How could this be? You're not here with me
You never said goodbye, someone tell me, why
Did you have to go and [redacted] my world so cold?

Every day, I sit and ask myself, "How did love slip away?"
Something [redacted] in my ear and says

That you are not alone, I am here with you
Though you're far away, I am here to stay
But you are not alone, I am here with you
[redacted] we're far apart, you're always in my heart
But you are not alone

'Lone, 'lone
Why, 'lone

Just the other night, I thought I [redacted] you cry
Asking me to come and hold you in my arms
I can hear your [redacted] your burdens, I will bear
But first I need your hand, then forever can begin

Every day I sit and ask myself, "How did love slip away?"
Something whispers in my ear and says

That you are not alone, I am here with you
Though you're far away, I am here to [redacted]
But you are not alone, I am here with you
Though we're far apart, you're always in my heart
But you are not alone

Oh, whisper three words and I'll come [redacted] fly
And girl you know that I'll be there
I'll be there
