

**Speaker 1:** We need to decide what to do for the school music festival. Do you still want to 1 \_\_\_\_\_ ?

**Speaker 2:** I think so, but I'm nervous. If I perform in front of everyone, I'll probably forget the lyrics.

**Speaker 1:** You won't forget them if we 2 \_\_\_\_\_ enough. We still have two weeks.

**Speaker 2:** That's true. If we practice after school, we'll have more time to prepare.

**Speaker 1:** Exactly. What kind of song should we choose?

**Speaker 2:** Maybe a rock song. If we choose something 3 \_\_\_\_\_, the audience will probably sing with us.

**Speaker 1:** Good idea. But if the song is too difficult, we won't be ready in time.

**Speaker 2:** Then let's choose something simple. If my cousin helps us, he'll play the 4 \_\_\_\_\_.

**Speaker 1:** Is he available?

**Speaker 2:** I'm not sure. If he finishes his 5 \_\_\_\_\_ this week, he'll come to our rehearsal on Saturday.

**Speaker 1:** Great. And if he can't come, I'll ask my brother to help us.

**Speaker 2:** What about the drums?

**Speaker 1:** The school has a drum kit. If the music teacher gives us 6 \_\_\_\_\_, we'll use it.

**Speaker 2:** Perfect. Imagine if we won the festival!

**Speaker 1:** If we won, I'd celebrate with everyone and record another song.

**Speaker 2:** I'd be shocked! If I were the winner, I'd 7 \_\_\_\_\_ thank my family and friends first.

**Speaker 1:** Would you post the performance on social media?

**Speaker 2:** Maybe. If the recording looks good, I'll post it.

**Speaker 1:** And what would you do if the video became really popular?

**Speaker 2:** If it became popular, I'd be excited, but I'd also be worried about negative comments.

**Speaker 1:** I understand. Some people say terrible things online.

**Speaker 2:** Yes. If someone posted something mean, I'd try not to take it 8 \_\_\_\_\_.

**Speaker 1:** That's probably the best reaction. If you reply angrily, the situation will only get worse.

**Speaker 2:** True. What would you do if you became famous because of one video?

**Speaker 1:** If I became famous, I'd use my 9 \_\_\_\_\_ to support young musicians.

**Speaker 2:** That sounds nice. If I had a lot of money, I'd create a free music school for teenagers.

**Speaker 1:** I love that idea. If I could choose any career, I'd work with music too.

**Speaker 2:** Really? What would you do?

**Speaker 1:** If I were a professional musician, I'd travel, perform at festivals and meet artists from different countries.

**Speaker 2:** That would be 10 \_\_\_\_\_. But for now, we need to survive our first school performance.

**Speaker 1:** Exactly. If we keep talking and don't start practicing, we'll never be ready.

**Speaker 2:** You're right. Let's choose the song today, and if everyone agrees, we'll start rehearsing tomorrow.
