EXAM TIME

Reading Comprehension:

Anna is a girl who lives in a small town where there are many trees and quiet streets. She has a friend whose family works in the city, and her brother often invites them to visit museums.

Last Saturday, Anna went to the city with her family. While they were traveling, it was raining, but they still enjoyed listening to music in the car. They arrived at a museum which is very famous.

Anna loves visiting museums, and she enjoys learning new things. However, the museum was not crowded, so they had a great time.

Right now, she is writing about the trip and her sister is watching a video about the same museum. They usually go to museums on weekends.

Tomorrow, they are going to visit another museum because her parents want to learn more about art. They think they will have a great day and she will be able to take better photos this time.

People should visit museums more often. Besides, they can learn a lot. Although it was a long day, Anna felt happy. Therefore, she went home early and rested.

When she was younger, she could not understand art very well, but now she can describe paintings better.
