GLOBETROTTER BLOG: THE MAGIC OF JAPAN

Japan is a beautiful country in Asia. Today, it is famous for its technology and delicious food like sushi. Tokyo, the capital, is very big and active. People there are very friendly and polite.

In the past, Japan was a very different place. It was a land of Samurai and traditional villages. Life was quiet and simple. Many years ago, it wasn't a world leader in technology, but it was rich in culture and history.

In the future, Japan will be even more amazing! Experts say it will be the home of incredible robots and flying cars. Next year, millions of tourists will be there for the cherry blossom season. It will be an exciting time for everyone!
