PET READING PART 6

My First Day at a New School

For each question, write ONE word for each gap.

27 Last month, I started at a new school. Before I arrived, I had never _____ to such a big school.

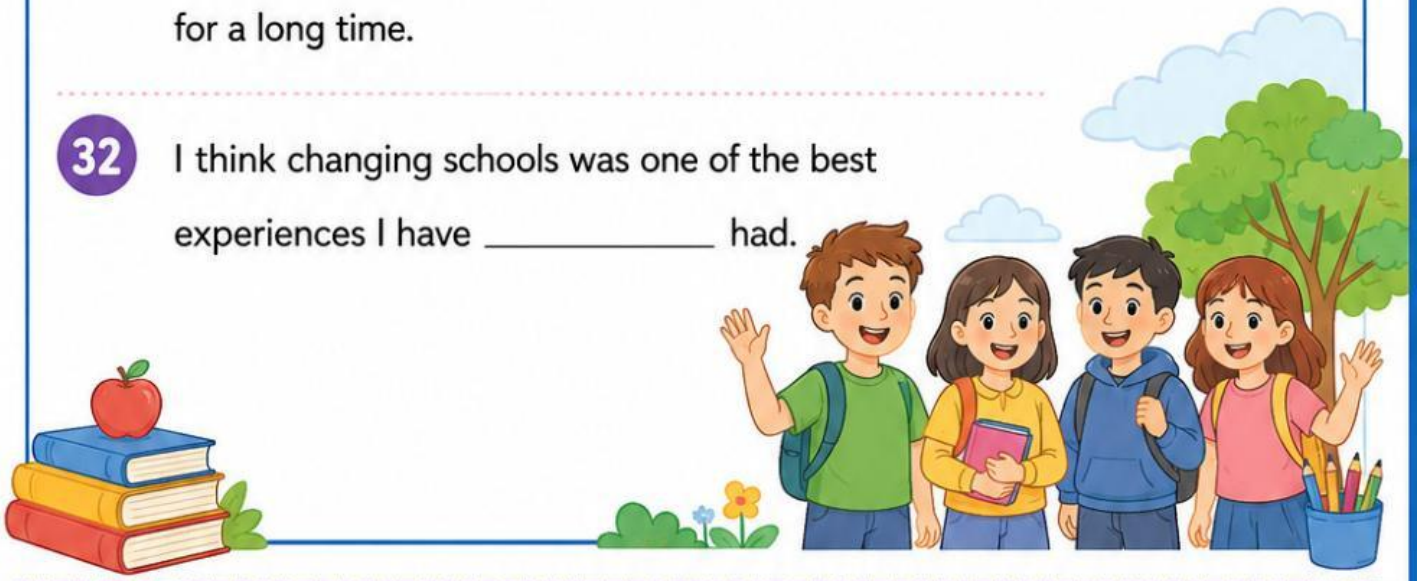

28 The teachers were very friendly, and they helped me feel _____ home from the first day.

29 If I didn't understand something, the teachers were always ready to help me _____ it.

30 By the end of the first week, I had already learnt the names _____ most of my classmates.

31 Now I enjoy going to school every day, and I hope to stay _____ touch with my new friends for a long time.

32 I think changing schools was one of the best experiences I have _____ had.
