

BÀI 5. CHOOSE THE CORRECT ANSWER

Choose the correct word to complete the passage.

Lucy was excited because she was starting at a new secondary school. Before the first day, she had (1) **finished / finish** reading all the information about the school.

She had never (2) **attended / attend** such a large school before, so she felt a little nervous.

When she arrived, the teachers had already (3) **prepared / prepare** everything for the new students.

Lucy realised that she (4) **had / has** forgotten her notebook, but luckily her new friend shared one with her.

By lunchtime, she had already (5) **made / make** several new friends.

After the lessons, the students (6) **visited / visit** the library because the welcome tour had already finished.

Lucy enjoyed the first day because she (7) **had / has** met many friendly classmates before the afternoon activities began.

When she got home, she told her parents that she had (8) **learnt / learn** many new things.

She said she had never (9) **felt / feel** so confident on the first day at a new school.

By the end of the week, Lucy had (10) **become / became** part of the class and was very happy.
