

IDIOMAS ASLAN

6th LEVEL - ESSAY

Many people find themselves without direction in life and feel they have to change. In order to achieve a life change, you should consider what you want to change, where you want to wind up and be as precise as possible about your plans and goals.

Write out a description of what you want your life to look like and the things you'd do in order to change it. *(remember to use the conditionals causes you learn.)* 12 lines.

A large grid of dots for writing an essay, consisting of 12 rows and approximately 40 columns.
