WANT TO WIN A SCHOLARSHIP TO STUDY ABROAD?

Do you want to study abroad? Well, this is your opportunity! The National Partnership to Combat Pollution is pleased to invite you to our annual contest to promote awareness to care for the planet. This year the contestants will have to submit a video about one pollution problem and its different solutions.

The conditions for the contest are:

- * Only students currently in their last year of middle school at this school are eligible to participate.
- * The call for entries will be open from May 20 and the last day for video submissions will be in two months, July 20. Results will be published a month after.
- * Interested parties may participate with as many videos as they are able to submit by the indicated date.

- * The theme of the video will be a form of pollution and at least two possible solutions to this problem.
- * The judges will be the general manager and two CEOs of the National Partnership to Combat Pollution and three famous environmentalists.
- * The first place will get a scholarship in of our pro-planet schools in locations around the world for six months.
