

## Guided Reading

**A. Finding Main Ideas** As you read about Roanoke, Sagadahoc, and Jamestown, use the following questions to help you summarize ideas in this section.

|                                                                                                                                                      |  |
|------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| <b>1. Who?</b><br>Who were among the settlers at Sagadahoc?<br>Who was their leader?                                                                 |  |
| <b>2. What?</b><br>What happened to the colonists at Roanoke?<br>What happened to the colony at Sagadahoc?                                           |  |
| <b>3. When?</b><br>When was Jamestown settled?<br>When did the "starving time" end?                                                                  |  |
| <b>4. Why?</b><br>Why did the settlers go to Jamestown?<br>Why didn't the settlers get along with their neighbors?<br>Why did Jamestown nearly fail? |  |
| <b>5. Where?</b><br>Where was Roanoke?<br>Where was Sagadahoc?<br>Where was Jamestown?                                                               |  |
| <b>6. How?</b><br>How was Jamestown saved from failure?                                                                                              |  |

**B. Summarizing** On the back of this paper, explain the importance for the Virginia Colony of each of the following:  
 House of Burgesses      indentured servant      Bacon's Rebellion
