apple - cabbage - cherry - radish - oatmeal - turkey - milk - cereal - beans - margarine

Fruits	Vegetables	Protein	Grains	Dairy Products

READING

Instructions: Read the following paragraph. Underline eight partitives found in the text.

A Birthday Picnic

Emma is planning a birthday picnic for her little sister, Lily, who is turning nine. First, she makes a list of the things she needs. She goes to the supermarket to buy some food.

For the sandwiches, Emma buys a loaf of bread and a pack of ham. She also gets a bag of chips and a box of cookies for the children. Lily loves fruit, so Emma buys a bunch of bananas and a carton of strawberries. For drinks, she gets a bottle of orange juice and cans of soda.

When everything is ready, Emma checks her list. She has everything for Lily's birthday picnic. Emma is very happy and excited!
