MIXED TENSES REVIEW
FRIENDSHIP

Complete each sentence with the correct form of the verb in brackets in the Present Simple, Present Continuous, and Present Perfect.

1. Mia and I _____ (know) each other since we were at university, so we can usually predict what the other person is thinking.
2. I _____ (not / see) my best friend much these days because she is working on a project in another city.
3. Daniel _____ (always / support) me when I have to make difficult decisions. I know I can rely on him.
4. We _____ (have) lunch together every Friday, but this week we are meeting on Saturday instead.
5. How long _____ you _____ (be) friends with your closest friend?
6. Sarah _____ (become) much closer to Emma since they started working together last year.
7. Listen! Tom _____ (argue) with his best friend again. They seem to disagree about everything lately.
8. My brother _____ (not / trust) people easily, but he has always trusted his childhood friends.
9. I _____ (already / invite) all my friends to the party, so now I just need to decide what food to prepare.
10. Julia _____ (currently / look) for a new flat because she wants to move closer to her friends.
11. We _____ (often / talk) about our problems, but we try not to give each other advice unless the other person asks for it.
12. Mark _____ (just / apologise) to his friend after their argument, so hopefully they can move on now.
