

Complete the text with the words from the box

were - was - there are - were - there were - was
are - were - were - there were

London is a very old city. It _____ very different in the past.
this is an old movie about London in 1950. _____ cars, but
the cars _____ very different . _____ many different
buses, too. _____ still many of these buses in London today.
They're popular!

We can learn a lot about the past from old movies. We can see things from the past,
we can see people from the past. And we can hear music from the past. Today,
movies _____ in color and they have sound, too. But many old movies _____
black and white and they _____ silent. The camera _____ very different,
too. They _____ very big.

I like to watch old movies, it's a good way to learn about the past!

Choose the correct option:
