ALL ABOUT FALL

Fall is the season after summer and before winter. The weather changes all the time. It gets cooler and is often windy and rainy. Another name for fall is autumn. During this chilly season, the days get shorter and the leaves start changing colors.

This is the time of year when many kids go back to school. It is also the time of year when foods like apples and pumpkins are ready to be picked.

Fall is a good time to go hiking, look at the colorful leaves, or go apple picking with your family.
